

Alerts and Reminders—Information at Your Fingertips

Managing your account is easy with Central Georgia EMC’s customizable alerts and reminders. Whether you need help remembering when your payment is due or you want to better monitor your budget, an alert is available to help you meet your goal.

Set a **Due Date Reminder** so you will know when your bill due date is approaching. You choose how many days in advance you would like to be notified.

Payment Confirmation takes the worry out of whether your payment was received by sending you a notification when it has posted to your account.

Take the surprise out of your monthly bill by setting an **Energy Usage Alert** to get a daily notification of how much energy you use. To be alerted only when your daily usage

exceeds a certain amount, set a **High Energy Usage Alert**. Simply specify a kilowatt-hour (kWh) threshold, and you will receive an alert when your daily usage exceeds that amount.

Customer-owners participating in our prepaid metering plan have additional alert and reminder options designed specifically for self-managed accounts.

Setting up alerts and reminders is simple! Sign in to your account on the Customer Portal at www.cgemc.com and go to the My Alerts tab, or log in to the mobile app and choose Alerts. Select the alert that you want, and the delivery method that works best for you—email, text, voice, or push notification.

Alerts and reminders are powerful tools designed to help you stay informed. Let alerts and reminders work for you today!

Operation Round Up - A Word of Thanks

Operation Round Up[®] allows participating Central Georgia EMC customer-owners to be a small part of a bigger collective. By choosing to round up your electric bill to the nearest dollar, you enable the CGEMC Foundation to provide grants for worthy nonprofit organizations in your area. The average donation per calendar year is only \$6, but the impact of your generosity is far greater.

Recently, United in Pink received a grant from Operation Round Up to use toward its Pink Pack program, which supports breast cancer survivors and their families with items of comfort. Here are some words from their Executive Director, Laura Paxton, expressing what your generosity means to their program.

Central Ga EMC Foundation Board and Customer-Owners,

On behalf of the entire United in Pink family, I would like to say thank you for your support. We are so grateful for the funds to be used to purchase and provide Pink Packs to our newly diagnosed survivors, their spouses, and children.

This offering is the foundation of all of our programs and services. Not only does it provide items of comfort and encouragement, but it also enables us to form relationships, which often last a lifetime. Meeting these women and families and being able to give them hope and love, as well as acknowledge the impact on every member of their family, is a gift—a gift that comes through our Pink Packs.

We truly appreciate all who made these funds possible for United in Pink. We thank you for the hundreds of lives who will be impacted by your generosity. Partners like you enable us to continue providing resources to families affected by breast cancer throughout Central Georgia.

We are grateful!
