

Central Georgia Electric Membership Corporation

Application for Photovoltaic Rebate Program

This application should be completed and returned to the Photovoltaic Rebate Program Manager (PM). The PM will review the rebate application and notify the customer in writing whether the rebate application has been accepted and the rebate funding reserved for the customer. **Customers MUST NOT OPERATE their photovoltaic system in parallel with Central Georgia EMC's distribution system until they have received written authorization for parallel operation from Central Georgia EMC. Unauthorized parallel operation of customer's photovoltaic system could result in injury to persons and/or damage to equipment or property.**
