

THE CENTRAL GEORGIA ELECTRIC MEMBERSHIP CORPORATION
Job Description

JOB TITLE: First Class Lineperson (Journeyman Lineperson)

SUMMARY: Performs diversified work of erection, repair, and operation of electric distribution facilities. Works on energized lines, structures, and equipment involved in the distribution of electricity. Locates sources of service interruptions and other troubles. Performs necessary construction, maintenance, or repair to restore services. Installs and maintains electric power lines, both overhead and underground by performing the following duties.

ESSENTIAL DUTIES AND RESPONSIBILITIES include the following (other duties may be assigned):

Performs all the necessary activities in the construction, replacement, and maintenance of energized and de-energized overhead and URD distribution lines; reads staking sheets when required.

Installs transformers, oil circuit reclosers, and other related equipment, checks bushings, connections, and oil level if necessary.

Installs conductors, determines current sag, installs armor rods, and tie-in conductors of any size.

Assists and performs hotline work on all voltages in accordance with prescribed methods.

Understands considerable hazards that exist. Understands and utilizes safety and protective equipment.

Inspects work after completion to ensure that it has been done in accordance with applicable specifications and codes.

Assures that trucks, tools, and work equipment assigned to this position are properly used and kept in good working condition.

Patrols the line, checks for defective materials, equipment, or unsafe conditions, and notifies supervisor and Safety/Risk Management Specialist of problem areas.

Keeps informed as to direction of line feeds, locations of reclosing, and switching devices; assures that all affected personnel are so instructed and that any changes are promptly reported.

Answers emergency calls, trouble calls, and restores service as quickly and safely as possible; available for necessary on-call and overtime work. Available for off system storm assistance.

Performs all other functions and responsibilities as assigned.

Is aware of and complies with Corporation's policy on Affirmative Action, Equal Employment Opportunity, and non-discrimination of customers on any benefits offered by the CGEMC.

Complies with the CGEMC's safety rules and regulations while performing duties.
Complies with OSHA rules and regulations.
